STEEL SIDING
AND ACCESSORIES COLLECTION

TOUGHNESS

NEVER LOOKED SO GOOD

Want to improve your home's curb appeal with a look that's vibrant *and* resilient?

Klauer offers a complete line of steel siding and accessories, aluminum soffit and fascia and rain-carrying products, all made to withstand the toughest environments.

KLAUER STEEL SIDING

Klauer steel siding looks great—and it's finished with a durable, long-lasting coating that resists cracking, peeling, flaking, blistering, chipping, fading and more. **Plus, you can choose from three distinct industry-leading finishes.**

CoolPaint
TECHNOLOGY™

KLAUER CLASSIC™ FINISH

The Klauer Classic Steel Siding and Accessories collection is available in 24 solid colors.

BENEFITS:

- Two-coat XT40S siliconized polyester paint system
- Excellent corrosion protection
- Modified with silicone for exceptional roll-forming performance
- Super-durable polyester resins provide superior resistance to chalking, fading and environmental weathering
- Precision nylon-particle additives supply texture to enhance the finish
- Highest-quality exterior grade and ceramic pigmentation amplifies long-term color and gloss retention
- Limited Lifetime Warranty paint system

KLAUER ELITE™ FINISH

The Klauer Elite Steel Siding and Accessories collection is available in five attractive colors. Klauer Elite adds durability, richness and low-glare, true-color appearance—even on the brightest days and in the toughest elements.

BENEFITS:

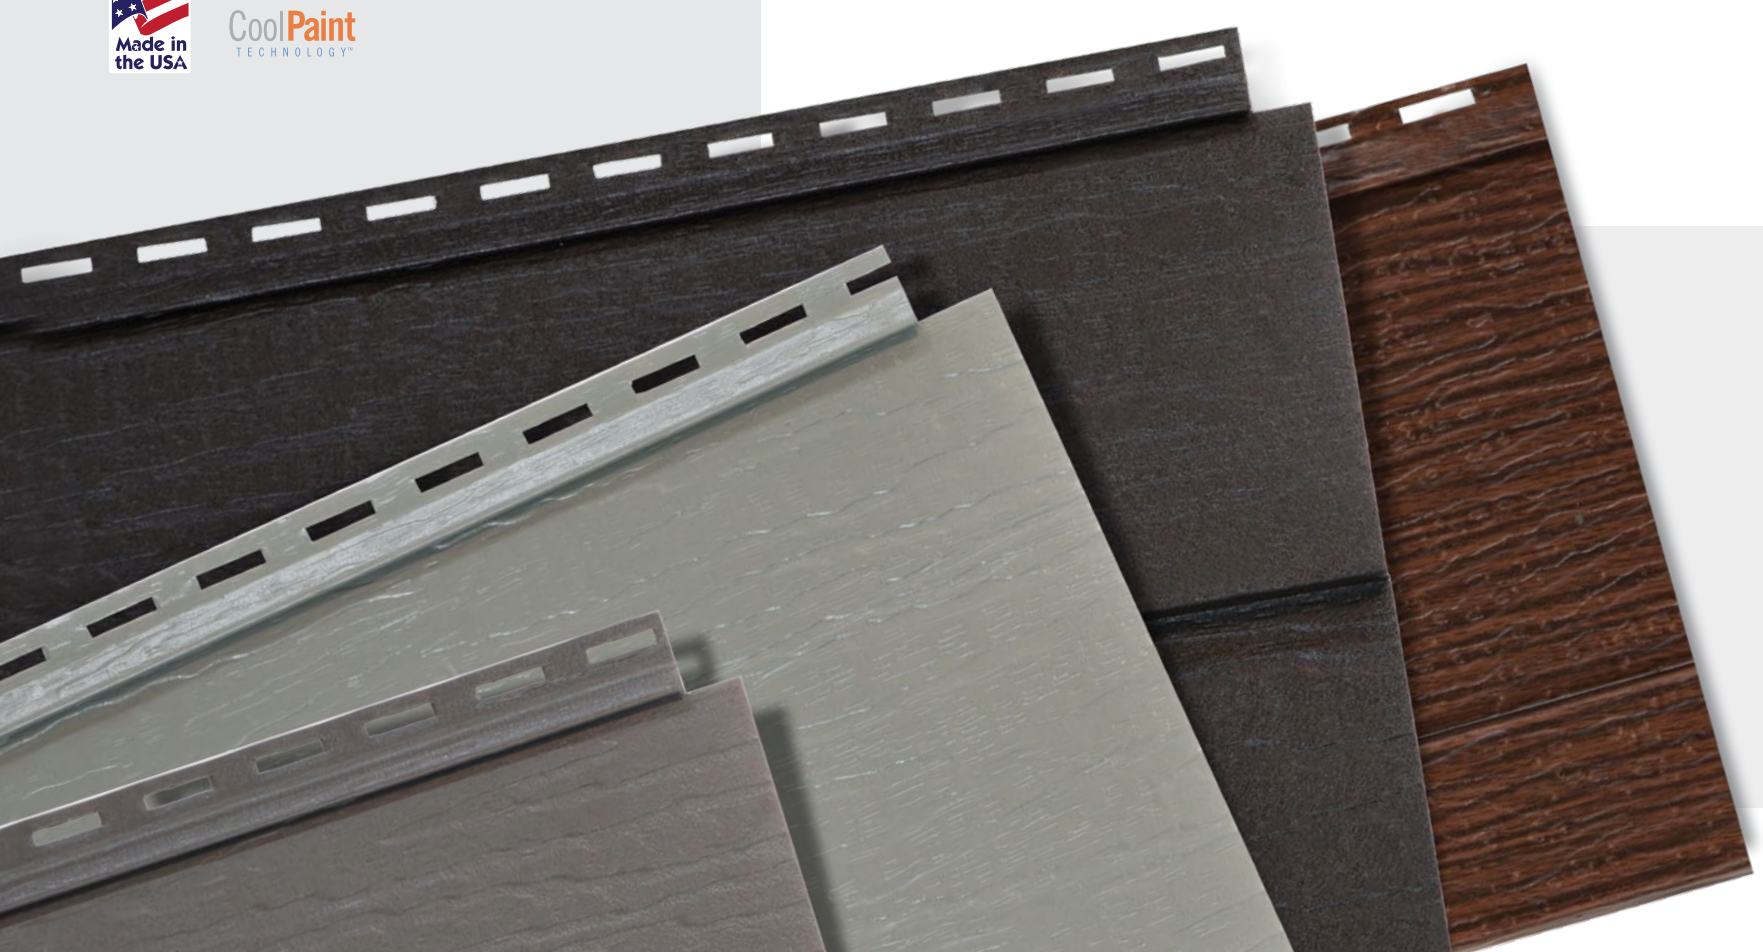

- Two-coat XT40S siliconized polyester paint system
- Excellent corrosion protection
- Modified with high-performance wax for exceptional roll-forming performance
- Proprietary wrinkle-textured finish provides a warm and low-reflective finish that retains color richness in the brightest direct sunlight
- Super-durable polyester resins provide superior resistance to chalking, fading and environmental weathering, plus exceptional impact-resistant properties
- Limited Lifetime Warranty paint system

KLAUER PRESTIGE™ FINISH

The Klauer Prestige Steel Siding and Accessories collection replicates nature's colors and textures. Its unique color palette consists of five two-tone shades that create the look of naturally stained wood.

BENEFITS:

- Four-coat XT40 polyester paint system
- Excellent corrosion protection
- Super-durable polyester resins provide superior resistance to chalking, fading and environmental weathering
- Custom-designed, woodgrain-print overlay enriches and adds depth to our modern, real-wood look and top-of-the-line finish
- Final application of polyester clear coat adds superior protection against scratches, dirt retention and staining
- Limited Lifetime Warranty paint system

SHAKE AND SHINGLE SIDING

STEEL SHAKE ACCENT SIDING

Designed for accent applications, Klauer Steel Shake Siding is durable and attractive. This straightedge design has a four-way locking system. Its deep texture, rich color palette and seamless appearance enhance your home's curb appeal.

AVAILABLE COLORS

STEEL SHINGLE ACCENT SIDING

From its durable finish to its realistic woodgrain appearance, Klauer Steel Shingle Siding can add dramatic accents to porches, gables and other architectural elements without the cost and maintenance typical of other products.

ENVIRONMENTALLY
RESPONSIBLE
STEEL

At Klauer, we value eco-friendly manufacturing practices. Steel is the most recycled material on the planet, more than all other materials combined, and can be recycled repeatedly without loss of strength.

Klauer premium collections are created with Cool Paint Technology™, which offer superior performance by using reflective pigments to help reduce energy consumption.

Our silicone-modified polyester paint systems are baked in high-temperature ovens during a continuous coil-coating process. As a result, our steel siding exteriors perform better than alternatives like vinyl, wood and pressed-composite products with pigmented PVC or postproduction-applied coatings.

WEATHER PROTECTED

Klauer's world-class coatings are harder and more scratch- and stain-resistant than any other product—and they're backed by the most comprehensive warranties in the industry. Our tough proprietary finish prevents stains, keeps surfaces cleaner and repels water, oils and other elemental factors.

WARRANTY TOUGH

To give you added peace of mind, we back our steel siding collections with a no-nonsense Enhanced Limited Lifetime Warranty, which includes a 35-year limited chalk-and-fade guarantee and a hail-protection warranty.

WORRY FREE

Klauer Steel Siding and Accessories are virtually maintenance free—just a quick rinse with a garden hose will keep your exterior siding looking clean and beautiful. You'll never have to paint or stain your home again.

COLOR COMBO GUIDE

Selecting the right color scheme for the exterior of your home is a significant decision. Klauer has curated these siding and trim selections to help inspire and assist you throughout the decision-making process.

KLAUER SOFFIT, FASCIA AND RAIN-CARRYING SYSTEMS

Our durable, energy-efficient soffit, fascia and rain-carrying systems are easy to install, require minimal maintenance and come in styles and colors to fit any project design.

THE FINISHING TOUCH

KLAUER CLASSIC **ALUMINUM**

The Klauer Classic Aluminum Series is formulated with a proprietary high-durability resin for resistance to chalking and fading, and contains high-quality exterior-grade and ceramic pigmentation for superior color stability. Klauer Classic products also offer long-term exterior-weather performance and improved scratch and metal-marking resistance.

- Available in 16-in.-wide soffit panels
- 12-ft. standard panel lengths with special length options
- Produced in solid, center-vent and full-vent configurations

QUALITY AND EXCELLENCE, REINVENTED SOFFIT AND FASCIA

We entered the aluminum soffit-manufacturing market to provide the highest-quality soffit and accessories available. The result is a final product with the most free airspace in the industry—providing maximum energy-saving ventilation—and a paint system to match. Our paint is durable and tough, environmentally friendly, 100-percent recyclable and stain resistant, and can be easily cleaned with a garden hose.

EQUALIZE THE ELEMENTS RAIN-CARRYING SYSTEMS

Our sturdy, long-lasting roof-drainage products prevent water damage by collecting rainwater and moving it away from walls and foundations. We produce a variety of sizes and types of gutters, gutter coil, downspouts and other accessories.
