# SELECT SOFFIT SYSTEM

MAINTENANCE-FREE SOFFIT, FASCIA AND RAIN-CARRYING SYSTEMS

# THOUSANDS OF OPTIONS

Serving the residential, agricultural and light commercial markets, our durable, energy-efficient products are easy to install, require minimal maintenance and come in styles and colors to fit any project design.

## QUALITY AND EXCELLENCE, REINVENTED SOFFIT AND FASCIA

Klauer entered the aluminum soffit-manufacturing market with the intention of providing the highest-quality soffit and accessories available. The result is a final product that is 100-percent recyclable and provides industry-leading net free airspace—providing maximum energy-saving ventilation—and a paint system to match. Our paint is durable and tough, environmentally friendly and can be easily cleaned with a garden hose.

## EQUALIZE THE ELEMENTS

# RAIN-CARRYING SYSTEMS

Our sturdy, long-lasting roof-drainage products prevent water damage by collecting rainwater and moving it away from walls and foundations. We produce a variety of sizes and types of gutters, gutter coil, downspouts and all of the accessories to do the complete job and provide peace of mind.

# TOUGHNESS NEVER LOOKED SO GOOD

The Klauer Select Aluminum soffit system is formulated with a high-durability polyester resin for resistance to color fading, chalking, peeling, cracking and staining.

**In addition to a limited-lifetime warranty, you can count on a product that:**

- › Has long-term exterior-weather performance
- › Includes our special stain-resistant resin
- › Includes improved scratch and metal-marking resistance

Add beauty and value to your customers' buildings with products that are backed by over 150 years of quality. Choose Klauer Select Aluminum products.
