UNCOMPROMISED
QUALITY

Klauer offers a number of gutter, downspout and accessory options that complement our full line of products. Our steel and aluminum substrates and best-in-class paint finishes have been carefully chosen to ensure our customers have the highest-quality products available in the market today.

CLASSIC AND SELECT
COLLECTION

The Classic and Select Collection of colors features two distinct paint finishes, allowing for perfectly coordinated and accented rainware alongside Klauer Residential Steel Siding and Soffit products. The Klauer Select color palette consists of colors used universally across the industry for a variety of applications and is available in aluminum only. The Klauer Classic color palette is available in both steel and aluminum and is designed to coordinate with Klauer Steel Siding and Aluminum Soffit and Fascia.

TRADITIONAL BUILDING PRODUCTS
COLLECTION

The Traditional Building Products Collection of colors is universally used for residential, commercial and metal building structures of all types. This color collection is a perfect match for Klauer K-Rib Roofing and Siding products. Available in steel, our extensive list of gutter, downspout and accessory options is made from durable galvanized steel that stands the test of time.

Color charts may be viewed on pages 16-17.
