TOUGHNESS
NEVER LOOKED SO GOOD

Want to improve your home’s curb appeal with a look that’s vibrant *and* resilient?

Klauer steel siding looks great—and it’s finished with a durable, long-lasting coating that resists cracking, peeling, flaking, blistering, chipping, fading and more.

And you can choose from three distinct finishes.

KLAUER
CLASSIC™

The Klauer Classic Steel Siding and Accessories collection is available in 24 solid siding colors.

BENEFITS:

- › Two-coat XT40S siliconized polyester paint system
- › Excellent corrosion protection
- › Modified with silicone for exceptional roll-forming performance
- › Super-durable polyester resins provide superior resistance to chalking, fading and environmental weathering
- › Precision nylon-particle additives enhance the finish with texture
- › Highest-quality exterior grade and ceramic pigmentation amplifies long-term color and gloss retention
- › Meets minimal solar reflectance for ENERGY STAR® approval
- › Lifetime limited warranty paint system

KLAUER
ELITE™

The Klauer Elite Steel Siding and Accessories collection is available in five attractive colors. Klauer Elite adds durability, richness and low-glare, true-color appearance—even on the brightest days and in the toughest elements.

BENEFITS:

- › Two-coat XT40S siliconized polyester paint system
- › Excellent corrosion protection
- › Modified with silicone and high-performance wax for exceptional roll-forming performance
- › Proprietary wrinkle-textured finish provides a warm and low-reflective finish that retains color richness in the brightest direct sunlight
- › Super-durable polyester resins provide superior resistance to chalking, fading and environmental weathering, plus exceptional impact-resistant properties
- › Meets solar reflectance, LEED and ENERGY STAR requirements
- › Lifetime limited warranty paint system

KLAUER
Prestige™

The Klauer Prestige Steel Siding and Accessories collection replicates nature’s colors and textures. Its unique color palette consists of five two-tone shades that create the look of naturally stained wood.

BENEFITS:

- › Four-coat XT40S siliconized polyester paint system
- › Excellent corrosion protection
- › Super-durable polyester resins provide superior resistance to chalking, fading and environmental weathering
- › Custom-designed, woodgrain-print overlay enriches and adds depth to our modern, real-wood look and top-of-the-line finish
- › Final application of polyester clear coat adds superior protection against scratches, dirt retention and staining
- › Meets minimal solar reflectance for ENERGY STAR approval
- › Lifetime limited warranty paint system
